Home learning	All home learning tasks are an integral part of fully developing independent learners and thinkers.
One thing to do	Visit galleries and museums and take photographs of work that inspires you. Take photos of street art in and around the area you live in
How technology can support you	Visit online galleries in order to familiarise yourself with the work of a variety of artists, designers and craftspeople.
By the end of KS3 you will be able to	Develop/create a portfolio of work that demonstrates the knowledge and understanding of colour, line, form, tone, texture, media, materials, techniques, processes, technologies.

Serving God, striving for excellence
